AUTOPOLAN

ABOUT US

We are committed to offer our customers a variety of the latest Auto quick cleaning and maintenance. We've come a long way since establishment in the year 2011, so we know exactly which direction to take when supplying you with high quality yet budget friendly products. Meanwhile we are always providing excellent customer service and friendly support.

We always keep an eye on the latest trends in Auto quick cleaning and maintenance and put our customers' wishes first. That is why we have satisfied customers all over the world, and are thrilled to be a part of the Auto quick cleaning and maintenance industry.

The interests of our customers are always the top priority for us, so we hope you will enjoy our products as much as we enjoy making them available to you.

GRAPHENE CERAMIC COATING

AUTOPOLAN 's UV Graphene Ceramic Coating is a clear, nanocrystalline coating that protects your vehicle from weather, chemicals, and UV rays while repelling water, dirt and other contaminants. Providing 10H hardness, 5+ years of protection even in the harshest conditions.

AUTOPOLAN New Graphene Coatings are a super durable barrier to protect paint, glass, headlights, chrome, wheels, trim, and more from dirt and bonded contaminants, with outstanding water be.

DIAMOND GLAZED CERAMIC COATING

Diamond Glazed Ceramic Coating uses Silicate complex for the first time in the car care industry. Silicate complex at the precursory stages brings enormous benefits on all levels: durability, chemical resistance, and ease of use. The result is a super ceramic coating that forms a shiny diamond like barrier around the car.

Amazingly easy to apply and wipe off, yet extremely chemical resistant. Slick and smooth, yet very durable. Gloss and extreme hydrophobic are just value-added. It is able to deliver a single-layer coating that outperforms everything on the market.

GRAPHENE PLASTIC RESTORER

Graphene Plastic Restorer can be used to protect tires, bumpers, vehicle details, and rearview mirrors, and can easily coat dashboards, door panels, and ethylene-based seats. making it an ideal solution for anyone who wants to repair and restore plastic surfaces.

Not only removes oxidation on plastic surfaces, but also restores aging and faded plastic, rubber, and ethylene-based components. It also forms a strong graphene nano-protective layer on the surface to protect them from future UV rays, rain, and dirt.

GRAPHENE PLASTIC RESTORER CREAM

Graphene nanomaterial can quickly penetrate the surface of plastic, fill in cracks and pores, making the plastic surface shiny and new.

Its streak-free formulation ensures that this trim restorer will not leave streaky residue on your vehicle after a good rain or car wash. And it is also highly effective in preventing premature aging thanks to the powerful formulation that prevents cracking and fading. It will be absorbed quickly and finishes with a dry-to-the-touch feel, despite a super high shine appearance.

COATING CAR SHAMPOO

Ceramic Car Shampoo is super Hydrophobic & SiO₂ create a durable barrier for both coated and uncoated cars that boosts water beading and sheeting, saving time while drying.

We infused Sio₂ Ceramic ingredients to add protection while washing!

Unlike traditional Car Shampoos, Ceramic Shampoo was designed specifically for the special needs of Ceramic Coatings.

Also safe for use on any wax or paint sealant surfaces!

WHEEL CLEANER

Wheel Cleaner is the ultimate way to remove stubborn brake dust and metallic contamination from your wheels.

It is safe for most wheel finishes. Whether you have factory clear coated, aluminum, or painted wheels, the highly effective cleaning solution will remove stubborn brake dust but won't harm your wheels.

With active cleaning agents and advanced surfactants, this formula is perfect for cleaning away the worst, most baked-on brake dust commonly found in the barrel of your wheels.

SOLUTION WILL REMOVE
STUBBORN BRAKE DUST

CERAMIC GLASS CLEANER & COATING

It is the gentle, tint safe glass cleaner that removes dirt, dust, fingerprints, grease, oil, and grime with no left over residue, no streaking, and no fuss.

Helps repel water and rain, Maximizes visibility in all weather conditions.

The advanced formula even contains static inhibiting agents that help resist dust that is attracted to the surface due to the charge generated by rubbing surface with a towel.

Power Cleaner penetrates the toughest residues, breaking down and removing.

IMPROVE VISIBILITY UNDER

CAR STERILIZER & DEODORIZER

Car Sterilizer & Deodorizer has active odor eliminators and neutralizers to rapidly subdue undesirable smells; Get that new car scent and prevent new odors from occurring over time.

Aerosol mist moves through the ventilation system, across the headliner and in between all other hard-to-reach areas, eliminating odors and leaving a pleasant scent in its place.

Our odor remover spray is highly effective and safe, suitable for any surface and area.

AIR REFRESHER

LEATHER PROTECTION SPRAY

Leather penetrates deep to protect new leather and rejuvenate dry leather and old leather.

This non-toxic leather conditioner has no silicone, solvents or animal products. Not sticky and completely odorless.

Soften leather furniture, moisturize leather car interiors.

Not for use on suede, faux leather or vinyl.

Works on all things leather - seats, interiors, jackets, shoes, sneakers, boots, purses, furniture and more.

DECONTAMINATION

NOURISH

PROTECTION

EASY GLAZING

TIRE SHINE & TRIM DRESSING

Tire Shine & Trim Dressing that uses refined gloss enhancers & plastic nourishers to penetrate deep into tires and restore a “like-new” lustrous shine.

not only works to restore and protect your tires, and can be easily applied to any rubber, vinyl, and plastic pieces around your car’s interior and exterior to enhance shine and durably protect.

The sprayable formula in AutoPolan offers your tires and other rubber and plastic trim pieces durable protection against the Sun’s brutal rays to help prevent discoloration.

REPAIR TIRES

ENHANCE
LUSTER

DURABLE
PROTECTION

IRON REMOVER

With every mile traveled, our vehicles are faced with road debris, dirt, and weathering outside of our control-- when our vehicle is parked outside, it still continues to fall victim to harmful ferrous brake dust particles in the air, rail dust, or industrial fallout.

Bonded iron can embed itself into the surface and cause harm to your vehicle's fragile finish. When using a clay bar to cleanse your paint, you're only removing the surface deposits and not the after-effects or below-surface deposits.

GLASS OIL FILM CLEANING CREAM

Remove water stains and oil films on the glass to quickly restore perfect transparency without polishing.

Using nano-grinding technology, adding surfactants, etc., to strongly decompose the common oil film, water marks, gum and other stubborn stains on the glass.

The formula of automobile glass oil film remover is mild, no damage to glass, easy to wipe, solve the problem of abnormal sound of wiper without damaging glass, and make travel more comfortable, clear and safe.

REMOVE WATER STAINS AND
OIL FILMS ON THE GLASS

TECHNOLOGY

HIGH FOAMING CAR SHAMPOO

The key to a clean car or a complete detail starts with a great wash. The best way to wash your car, truck, SUV, RV or Jeep is to use a product that creates a lot of foam. High Foaming Car Shampoo produces thick, dirt fighting bubbles that help clean any vehicle.

Whether you are washing with a wash mitt and bucket, a foam gun connected to your garden hose or a foam cannon connected to your pressure washer, High Foaming Car Shampoo is the right car wash soap to deliver loads of foam and suds to get a great wash!

MILD FORMULA

QUICKLY REMOVE
STUBBORN STAINS

CAR INTERIOR CLEANER SPRAY

Clean a dirty interior with ease! Strong enough to clean the toughest stains, delicate enough for fragile surfaces.

Vehicle interiors require special care to keep them clean and protected for years and years to come.

Unfortunately, most folks don't realize how harmful harsh detergents can be on leather, vinyl, and textured plastic. Harsh cleaners leach the color and cut the sheen right off of fine interior finishes.

This versatile super cleaning formula is powerful, yet gentle enough to be used on most interior surface.

STRONG TO CLEAN THE
TOUGHEST STAINS

EFFORTLESS
CLEANING

SPOTLESS
SHINE

CHROME AND METAL RESTORATION

Rid your chrome of imperfections. Chrome is especially vulnerable to dirt, grime, and other blemishes.

Add a lustrous shine to your metallic surfaces. Chrome and other metals stick out on a vehicle – make sure they stick out for the right reasons!

Safe to use on several types of metal. The Chrome and Metal Restoration is safe to use on chrome, aluminum, stainless steel, brass, silver, and gold. No matter what metal you need refreshed, this product has your back.

CLAY LUBRICANT

AutoPolan Clay Lubricant has extreme slickness which reduces friction and prevents the clay from 'grabbing' and marring the surface, instead the clay will slip over it to reveal smooth paint. car detailing supplies.

AutoPolan Clay Lubricant can be diluted down as far as a 1:10 ratio, which offers a great economy, without impacting on its high performance and still allowing good lubrication for the clay to do its job.

SUPER SLIPPERY

BAR LIFE

BUG REMOVER

This water-based, high sudsing formula contains co-solvents and other ingredients to aid in the breakdown of bug bodies and remnants. The detergents that create high foaming will actively dissolve and liquify stubborn bug contamination from your leading edge surfaces to reduce the risk of scratching during your wash and drying process.

Bug Remover, although highly concentrated, is safe enough for clear coat finishes and safe for use on a wide range of exterior surfaces.

SURFACES.

FOAM AIR CONDITIONER CLEANING

No disassembly visual car air conditioning cleaner, specifically for car air conditioning odor cooling abnormal design.

This product is divided into clean, sterilization, in addition to odor three steps, with the use of air conditioning cleaning agent gun.

It is recommended to clean once a year or two times, to prevent the breeding of bacteria germs on the human body (especially the low immunity of children, the elderly) attack.

IN ADDITION
TO ODOR

CLEAN

STERILIZATION

GLASS ANTI-FOG

Keep your windows, windshields, and mirrors from fogging up during extreme temperature changes and wet weather to maintain visibility.

This unique auto-defogging formula won't leave streaks or a haze on windows, windshields, or mirrors, helping you see more easily, even in wet weather.

It works on a variety of surfaces prone to fogging and helps prevent fog build-up. Improve your visibility and prevent fogging.

FOAM GUN

TRACELESS
CLEANING

REMOVE
GRINDING DIRT

MULTI FUNCTIONAL
USE

RICH FOAM

Scratch free washing: Car wash foam is the secret to a scratch free car wash. Compared to a traditional towel wash, the FOAM KING will give your car a bubble bath and remove abrasive dirt particles gently and without grinding them into paintwork (>95% of swirls and scratches come from improper car washing and drying. Slick car wash foam drastically reduces the risk of swirls and scratches on painted surfaces)
